

For obtaining Ukrainian international passport:

- the Internal passport and its copy
- the Inquiry on identification number assignment and its copy
- the Inquiry on absence of previous convictions
- the Previous passport (if available)
- for Men from 18 till 25 - the identity military card or the inquiry from a military registration and enlistment office;
- the Statement addressed to the chief of OVIR
- Three receipts - about fee and duties
- It is obligatory to women to specify a maiden name;

The application fees vary depending on region. Regular processment time is one month.

For expedite service higher fees apply. To obtain international passport in Ukraine within 3-4 b/s days would cost you ~\$300.

The list of required documents for expedite service is usually shortened to internal passport and inquiry on identification number assignment.

For the travel paper of the child:

- 4 colour photos (3,5 ÷ 4,5);
- The internal passport of one of parents of the child;
- The birth certificate of the child;
- The permission of parents assured notarially.

For including the child in the passport of the parent:

- The passport of the parent (citizen of Ukraine);
- The international passport of parent;
- 2 colour photos (3,5 ÷ 4,5);
- The birth certificate of the child.
